

Friends,

We are so excited to share this Virtual VBS with you! We pray that it will bless and encourage your community, as well as you personally.

Overview

Beginning Monday, July 13, 2020, daily VBS videos will be accessible at vbscharleston.com.

Each daily video will include:

Worship Rally

Bible Study, including discussion questions

Missions

Gospel encouragement.

Short rotation videos will also be available, including Crafts, Recreation, and Snacks, as well as video encouragement and tips for how to talk to children about salvation.

During registration, families are given the option to receive materials digitally OR to pick up a bag of materials. On July 11, various sites in our area will host drive-thru materials pick-up opportunities for

families. We will decorate our parking lots in the *Concrete and Cranes* theme for an exciting VBS experience!

We want to help make VBS a success in your community!

We are thrilled and honored to team up with you to share the Gospel of our Lord, Jesus Christ, with our state!

Please let us know if we can help or support you in any way.

We are praying for you, friends!

VBS Charleston team

VBS Checklist

Here are some things to consider as you prepare for VBS:

- **Promotion.** Feel free to refer parents to vbscharleston.com for a VBS overview. We have also set up a Facebook page of the same name that you can link to. In addition, banners, emails, postcards, videos, websites, and newsletters were used to get the word out. Feel free to use the VBS South Carolina logo and Facebook cover to personalize your promotional materials.
- **Registration.** Registration is essential for good follow-up! Registration also helps determine how many bags of materials to prepare. You may use any method you like for registration.
- **Materials.** You may choose to offer more or fewer materials in VBS bags. You may also choose to provide materials in digital format only.
- **Materials distribution.** How will you distribute materials to your families? Pick-up? Home delivery?
- **Missions project.** The missions segment will reference our city-wide missions project, a food drive to replenish our food banks in response to the increased need of our community for food resources.
- **Pathways for communication.** How will parents communicate with you if they have questions? Feel free to use the communication resource from the vbscharleston.com page beginning July 13, if you would prefer. If you choose this option, please contact us via the Charleston VBS Facebook page or email so that we can connect parents in your community with you.
- **Follow-up.** How will you reach out to families who participated in VBS to continue Gospel conversations?
- **Consider teaming up with other churches in your community!**
